

ABOUT POINTE INTERNATIONAL

Pointe International is a certified minority owned/woman owned small business serving the office products, technology accessories and industrial supply markets.

With more than 20 years experience, Pointe understands the markets we serve. As an entrepreneurial company, we are innovative and respond rapidly to our customers' needs.

Pointe operates a 34,000 sq. ft. facility in Schaumburg, Illinois, and has many long-standing business arrangements with manufacturers and trading partners in the Far East.

Pointe International's success in delivering value and service has enabled the company to grow and expand product lines and markets.
