## Next Generation Smart Flash Drive

### I-STICK USB 2.0

82181-4

It's so smart, we named it the Intelligent Stick! The I-Stick, with its unprecedented speed and small size, heralds the next generation of portable, rewritable storage devices. The I-Stick even takes portability to the next level by including a FREE credit card size holder. Just slide the I-Stick into the holder, slip it into your wallet, safe and secure -- and you're ready to go! If you travel, you won't want to be without at least one of these ingenious devices.

- So thin it fits in your wallet! Credit card size holder included.
- Data security with password protection
- Available in 128MB, 512MB, 1GB, and 2GB.
- Enables data access while on-the-go.
- No external power source or driver required.
- LED status indicator.
- Fast USB 2.0 file transfer.
- Small and slim: 1.69" x 0.71" x 0.11"
